Submission Details

The specific provisions of the Proposal my submission relates to are as follows

(Required)

Medium density specifications-Jollie Road area to Maryburn Road as per your planning map.

I support / oppose these provisions

(Required)

I support

I oppose

The reason(s) for my submission are

(Required)

State in summary your reasons, and whether you wish amendments made.

village type layout would be adhered to-with only sporting amenities and log homes being above a reasonable height.

I hope that height restrictions and the number of housing units can be minimised to retain the 'village concept' and keep views uncluttered by obscurities, as has been

I seek the following decision from the Mackenzie District Council

(Required)

Give precise details.

I hope that the MDC can legislate to retain the village like'concept and stop developers from polluting our views of a unique and tranquil landscape.

Please legislate lower height of residential buildings and the density of accommodation units on residential areas-particularly the Medium Density Residential area as per

I do or do not wish to be heard in support of my submission

(Required)

I do

I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing

(Required)

I would

I would not

Additional information for this submission

The lack of suitable communication was certainly evident and most disappointing for Aaron and others present. As Bruce Scott once said 'They're like merino wethers going into a swim dip when it comes to Twizel-you have to carry them!'

After this meeting I am sure that adequate
