Submission Details

The specific provisions of the Proposal

my Submission 21 changes to P Rec land and high-rise density zoning.

submission relates to are as follows:

I support /
oppose
these
provisions:

I oppose in full

The
reason(s)
for my
submission
are:

I oppose the proposed changes to Submission 21 regarding the rezoning of the P Rec land. The replanting of deciduous trees along Mackenzie Drive inspired us to take down the pine trees (with council approval) and replant with specimen trees to beautify the corner for everyone to enjoy. Wouldn't this be lovely if it happened around the whole of Twizel having beautiful blossoms in the spring and fabulous colours in the autumn, real attraction and changing the meaning of the town of trees even though Gateway to Mt Cook would be more of an attraction to tourists far and wide. High rise and medium density would so spoil our town, the Mackenzie basin is huge why is this needed. We love our views sunrises and sunsets why would we jeopardise this when there is no need. How will future generations view us if we spoil our beautiful country with city living.

I seek the
following
decision
from the
Mackenzie
District
Council:

Do not rezone P Rec land and change to high rise and medium density please.
