**7. Please provide details about the project or activities that were supported by the Creative Communities Scheme. Explain what was successful, and what didn't work so well.**

Heartfelt, soulful and full of life. The NZ String Quartet brought an eclectic and vibrant mix of music that promises to excite and entertain: from familiar classical favourites, to spicy contemporary works and a few hidden gems. Imbued with their signature performance flair, each programme was interspersed with lively and engaging introductions, illuminating the stories behind the music.

No take up of offer for free tickets to the Mackenzie College, probably due to the similarity of another Arts on Tour concert by Nikau Harp Trio and the lack of interest in classical music by young people.

**8. Give a brief description of the highlights of your project, including the number of participants.**

38 people attended the concert

**9. How did your project benefit your community?**

World class music right here in the Mackenzie District.  
A wonderful opportunity for little Fairlie!

**10. What, if any, are the next steps (for your project, for you and/or for the people involved)?**

Continue to support Arts on Tour NZ and book quality performers for the Mackenzie District.
