**7. Please provide details about the project or activities that were supported by the Creative Communities Scheme. Explain what was successful, and what didn't work so well.**

A band was provided for New Years Eve celebrations for the Fairlie and wider community to be able to attend at no cost. Being rural this provided safe local entertainment for families and community to enable them to stay local and not have to travel.

**8. Give a brief description of the highlights of your project, including the number of participants.**

The band was great and well liked by those that attended. It was great to see a diverse group of people attending the event. From families, teenagers and our multicultural community.

**9. How did your project benefit your community?**

Free entertainment at an expensive time of year enabled all who were interested a night out at no cost.

**10. What, if any, are the next steps (for your project, for you and/or for the people involved)?**
