Submission Details

The specific provisions of the Proposal my submission relates to are as follows: Dobson place / Ruataniwha rd tourist district proposal

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are:

This area is the site of a number of frisbee golf holes that are an asset to the tourist industry. A growing sport which is reaching a large international audience. Have a look at YouTube!

I seek the following decision from the Mackenzie District Council:

Why would a plan to increase tourist visiting numbers destroy an activity that is gaining in popularity and is an asset to the community?

I do or do not wish to be heard in support of my submission:

I do not

If others make a similar submission I would or would not be prepared to

I would

consider presenting a joint case with them
at any hearing:
