Submission Details

The specific provisions of the Proposal my submission relates to are as follows: Twizel residential zone... the inner mackenzie drive up to maryburn has been selected. Why not include the outside up to Maryburn too.... I imagine anyone opposed would be opposed to looking at the otherside... include both.

I support / oppose these provisions: I support in full

The reason(s) for my submission are: Seems a struggle to find areas to change... this seems and easy win. And hopefully help towards saving some of our green areas.

I seek the following decision from the Mackenzie District Council: Modify the residential zone of the area of mackenzie drive on both sides of the road up to maryburn.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not
