Submission Details

The specific provisions of the Proposal my submission relates to are as follows: Removal of the frisbee golf holes, on town green belt.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: The frisbee golf is well used and loved by many, why would the town green belt be changed! Very unnecessary and not a lot of thought into this clearly

I seek the following decision from the Mackenzie District Council: There are plenty of other areas you could use for this type of change, or reduce the size to not interfere with the frisbee golf course, at bare minimum

I do or do not wish to be heard in support of my submission: I do

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would
