February 2020

This register is used to record the interests of the
elected members of the Council

“Fostering Our Community”

Background

Elected members are required to comply with the Council-approved Code of Conduct for Elected Members. This requires elected members to make a general declaration of interests held, with the details recorded in an Interests Register held by the Council's Chief Executive Officer.

Elected Members must make a general declaration of interest annually and as soon as practicable after becoming aware of any new interests. These declarations are recorded in this Interests Register. The declaration must notify the Council of the nature and extent of any interest including:

- Any employment, trade or profession carried on by the member or the member's spouse for profit or gain.
- Any company, trust, partnership etc. for which the member or their spouse is a director, partner, trustee or beneficiary.
- The address of any land in which the member has a beneficial interest and which is in the Mackenzie District.
- The address or any land where the landlord is the Mackenzie District Council and:
 - The member or their spouse is a tenant; or
 - The land is tenanted by a firm in which the member or spouse is a partner, or a company of which the member or spouse is a director, or a trust of which the member or spouse is a trustee or beneficiary.
- Any other matters which the public might reasonably regard as likely to influence the member's actions during the course of their duties as a member.

Declarations of interest from elected and appointed members are available for public inspection at any time.
