Submission Details

The specific provisions of the Proposal my submission relates to are as follows: Possible removal of frisbee golf, greenspace/reserve.

I support / oppose these provisions: I oppose in part

The reason(s) for my submission are: I oppose the removal or reserve/green space in front of and near my property on Dobson Place, Twizel. It is currently a quiet cul de sac with little to no traffic. We have owned this property for many years and enjoy the unobstructed views and peaceful lifestyle. We enjoy playing frisbee golf and also see how popular this activity is with the course often being busy. I would be deeply saddened to see this space turned into anything else.

I seek the following decision from the Mackenzie District Council: To maintain the current frisbee golf course where it is currently located and keep this entrance to Twizel as greenspace.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not
