**MATTERS UNDER ACTION**

**Raised ground on the north side of the bridge heading to Tekapo:** Now planted.

**Town Projects:** River Track – This has been completed. Discussion was held on a motorcyclist that has been using the walkway. The community facilities manager offered to talk to the motorcyclist. The chairman would like something published in the Fairlie Accessible to let people know it is a walking track and not for motorbikes.

**Survey of Residents on Community Centre Use:** The community facilities manager has spoken to Amy Lamb who said the community centre user group would like to re-form and would like a community board member to sit on this committee. The chairman agreed to do this and will call on other community board members if he is not available to attend meetings.

**Town Clock is an Hour Out:** the chairman has fixed the clock.

**Wild Flowers Bee Friendly Planting Allandale Entrance:** Seed has been sown. Discussion was held on watering this area.

**Community Board Future Development and Town Projects Workshop:** Les Blacklock is away until early November so the workshop will be postponed until he is available after that date.

**Community Board Asset Database:** The community facilities manager said he needs to do a 30 year plan on all assets and community board assets will be included in that process. Trish Willis said the community board would like a maintenance plan that includes the items that have been taken off the list of town projects.

## **PUBLIC FORUM:**

Glen Innes requested to speak to the community board on behalf of the Fairlie in Focus Photographic group. They would like to install a permanent outdoor display space to enhance the town and display their photographic work. The preferred site is the central strip area running from the Four Square to the vets. The group would take responsibility for the painting and erection of the display and for changing the photographs. He would like the initial cost of this to be met by the Council's subdivision reserve fund. This cost is likely to be about \$10,000. He was seeking the community board's endorsement in principle before approaching the council. The chairman said they would need to ensure the display boards did not restrict visibility for traffic.

Glen Innes would like to make a formal presentation to Council at the next meeting with the support of the community board. Trish Willis asked how this would work with the interpretation panels that are planned by Heartlands. He does not think they would be in conflict. Mr Innes offered to email the community board members with a mock-up of what he is planning. Trish Willis suggested they look at this and meet on the site to discuss it. The chairman said the community board agrees in principle with the idea. Discussion was held on promoting the whole district in the photographs, not just Fairlie.

## **REPORTS:**

### **FAIRLIE COMMUNITY BOARD FINANCIAL ACTIVITY REPORT TO AUGUST 2015:**

The community facilities manager spoke on the financial report. He noted the salaries for the community board members were up. There are extra costs in operational maintenance for the Fairlie Domain due to clearing snow damage. The motor camp has also taken about \$2500 in income. The annual grant to the Fairlie Resource Centre of \$11,000 has been paid.

Resolved that the report be received.

**Warren Barker/Trish Willis**

## **FAIRLIE COMMUNITY BOARD FACILITIES UPDATE:**

The chairman and community facilities manager went through this report with the community board members. The community board asked for an update on the Abley Traffic Study.

Resolved that the report be received.

**Trish Willis/Warren Barker**

## **WARD MEMBERS REPORT:**

Cr Jackson was not at the meeting to give this report.

## **REPORTS FROM MEMBERS WHO REPRESENT THE BOARD ON OTHER COMMITTEES:**

There were no reports from members.

## **GENERAL BUSINESS:**

1. The chairman asked community board members to pass a resolution regarding an approach from the Fairlie 150 Years Committee to fund flags to mark the 150<sup>th</sup> anniversary of Fairlie. The funding application was not attached to the agenda but is available as an attachment to these minutes.

Resolved that the Fairlie Community Board funds \$2,177.30 to the Fairlie 150 Years Committee, under Heartlands Fairlie, for the 150 year flags, from the projects budget.

**Trish Willis/Warren Barker**

2. Update on Fairlie Campground: The chairman asked how long the former campground owner would be allowed to leave his old caravan parked at the domain. This is not registered. The community facilities manager will look into this.

The chairman said Council is awaiting a valuation of the campground business then will come up with a sale figure and advertise the sale of the business, as well as approach people who have already shown an interest. In the meantime the person looking after the campground will continue to do this. Council is unable to take forward bookings at this stage so the campground is only receiving visitors who turn up. Trish Willis asked if the camping area at Lake Opuha should be connected to the Fairlie campground. It was explained that running a campground requires a licence and high level of service and facilities. These are not available at Lake Opuha.

3. The chairman asked to put Fairlie townships water consent on the agenda for the next meeting. He would like to see the consent, and a report on this, and suggestions for a way around the problems with a shortage of water. The chief executive said the Utilities Manager Geoff Horler is working on this currently and would report to the next meeting. The chairman asked if it was possible to go back to the old consent. The chief executive said no, but they could apply to change the conditions of the current consent.
4. The chairman said road workers have repainted the Give Way marks on the intersection of the two state highways in Fairlie. These were removed to allow the new right hand rule to work at that intersection. He has asked the roading manager to sandblast the road markings to improve safety at the intersection.
5. Two meetings ago the Fairlie community board were asked to endorse a rope climbing frame on the village green. There was some discussion about funding already being sought for this. The chairman will put this on the agenda for the next meeting.
6. The Abley traffic report on Regent Street is also to go on the agenda for the next meeting.
7. The chairman noted that the town clock needs painting. The community facilities manager will address this.

I write to ask the Fairlie Community Board to waive of the hire fees of the community centre from 15 October 2016 to Sunday 23 October 2016. As part of the Fairlie 150 years celebration. The theme of 'Coming Home', we wish to hold a ball hosted by Mackenzie Young Farmers Club, to welcome everyone back to the area.

We then continue the celebrations at the community centre with a visual history display in the main stadium though out the week. This will be open to the public through the day and will be manned by volunteers.

On Monday 17<sup>th</sup> we plan to host a historical movie night in the theatre, and then on Friday 21<sup>st</sup> is the Fairlie Recipe book launch also held in the theatre. These are all community based events and any monies raised will go back into the Fairlie community.

Our final event at the stadium is an 'old time dance' held on Saturday 22 October.

The Ball itself will be run at a cost neutral (not for profit) to make it as accessible as possible to the community. As will the visual display and other activities.

Our group would like to request the use of the community centre hire fees to be donated to the 150 year celebrations for the period of this week.

We thank you for your consideration.

Yours sincerely

Dear Garry

## ***Strathconan Sports Fields***

Thank you for your letter. Council agreed to use this area as part of their freedom camping policy and bylaw created in November last year.

In response to your questions:

- A. The current Dog Control bylaw permits dogs on a lead around the edges of the park.
- B. The area is only available to certified vans only.
- C. We do not wish to restrict the area to MCA members only.
- D. There is currently a permanent sign located at the entrance specifying rules.

Thank you for your interest and suggestions.

Your letter and my response will be passed to the Fairlie Community Board at their meeting in December.

Yours faithfully

Garth Nixon
