

Mackenzie District Council Twizel Community Board Electing 4 Board Members

Jan SPRIGGS

My principal place of residence is in the Twizel Community Board area.

I am standing for the Twizel Community Board to be a strong voice, advocating for the interests of this community. I am proud to call Twizel home for the last 6 years, and for many more years to come. I know that this is a great place to live, work and play. As the town continues to grow, it is important that we don't lose what makes this place so special. I have 15 years experience working in local government in HR, building control and middle management, including some time with the Mackenzie District Council. This has given me an understanding of how Councils work from the inside out. I want to use this knowledge to promote important local issues in a positive way, ensuring that there is a transparent decision-making process. Let's all work together for the future of Twizel and the greater Pukaki ward.
