Dear Warren,

Request for Approval s95E Resource Management Act 1991:

I have considered your request for written approval in terms of s95E of the RMA and am pleased to advise that I grant my approval as an affected person. This approval is limited to the likely adverse effects of the proposal on the Department’s interests and should not be construed as approval to effects on the environment generally.

This approval is specific to the above application and is for the purposes of s95E of the RMA only. It is not indicative of any associated concession or other statutory approval which may be required from the Department relating to this proposal.
