

# Mackenzie District Council Twizel Community Board Electing 4 Board Members

---

## **Mary MURDOCH**

My principal place of residence is in the Twizel Community Board area.

I am standing for the Twizel Community board to represent and act as an advocate for the interests of the community. And ensure Twizel residents get value and fairness in the services provided by

the council to our local community.

It is my belief that the community board is a vital link in the democratic process.

The previous community board members have worked hard to get Twizel specific projects underway, and I would love the opportunity to carry on their good work.

My husband I moved to Twizel 4 years ago from Christchurch. We built Pukaki Air Lodge/Hangar at Pukaki Airport being very keen on aviation. In addition to running the Lodge I work as a physiotherapist in Twizel. Our family have spent many holidays in this area, and we feel very lucky to be able live and work here in this special and spectacular part of New Zealand.
