Submission Details

The specific provisions of the Proposal my submission relates to are as follows: The Twizel green belt development.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: I'm against the plan to develop the green belt area that currently contains the disc golf course. Twizel was never a stop for us on our way to Christchurch, but now we always stop for lunch and the kids love playing the course there. The annual disc golf tournament attracts over a hundred players and injects \$ 1000's into the local community it would be a mistake to close this course.

I seek the following decision from the Mackenzie District Council: To reject this development proposal

I do or do not wish to be
heard in support of my I do
submission:

If others make a similar
submission I would or
would not be prepared to I would
consider presenting a
joint case with them at
any hearing:
