This is a submission on proposed Plan Change 21 to the Mackenzie District Plan. Proposed Plan Change 21 is part of Stage 2 of the review of the Mackenzie District Plan.

The specific provisions of the proposal that my submission relates to are:
changing our zone from a Residential zone to Town
centre.

My submission is:
(Include whether you support or oppose the specific provisions or wish to have them amended and the reasons for your views)

I oppose the above provisions. I dont want businesses to be
able to start up in our zone and have the ability to
build multi level buildings in amongst our houses.

I also don't want more cars to be able to be parked up and down our street. We already can't park outside our own house as we live across from the bakery and already have all their staff parked everywhere.

I seek the following decision from the Mackenzie District Council:
(give precise details)

To leave our zone as it is and not go through with the proposed changes.

- I wish to be heard in support of my submission
 - I do not wish to be heard in support of my submission
- (tick one box)

If others make a similar submission I would / would not (delete one) be prepared to consider presenting a joint case with them at any hearing.
