This is a submission on proposed Plan Change 21 to the Mackenzie District Plan. Proposed Plan Change 21 is part of Stage 2 of the review of the Mackenzie District Plan.

The specific provisions of the proposal that my submission relates to are:

changing low density Northwest  
arch to high density 400 sq m  
sections which I strongly oppose  
Specific control area 4

My submission is:

*(Include whether you support or oppose the specific provisions or wish to have them amended and the reasons for your views)*

I oppose making sections any smaller  
in low density area Northwest arch  
as I bought my 4000 sq metre  
section for views - quietness.  
and keep the same height restrictions  
in place.

I seek the following decision from the Mackenzie District Council:

*(give precise details)*

*Leave North west Arch blocks of  
land as is i.e. minimum 4000  
sq metres minimum and same  
height & minimum building restrictions  
from boundary*

- I wish to be heard in support of my submission
  - I do not wish to be heard in support of my submission
- (tick one box)*

If others make a similar submission I **would / would not** (delete one) be prepared to consider presenting a joint case with them at any hearing.
